

STATEMENT OF FAITH

Volunteer | Board of Director | Staff

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential, and that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ.
8. We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. We believe and affirm that life begins at conception and that our expression of love and service to God requires that we work to protect and honor life in all stages of creation. As well, we believe and affirm that God's calling upon us commands that we make special efforts to protect the most vulnerable among us. As such, we view life from conception through birth to be uniquely vulnerable, and therefore work to protect and defend life in these early stages. We do not provide or prescribe contraceptive medications that may harm an embryo and we will never provide abortifacient medications under any circumstances.
9. We believe that God wonderfully and immutably creates each person as either male or female, and that these two distinct, complementary sexes together reflect the image and nature of God. Accordingly, our communication with clients and all other persons reflects the reality of God's created order- put simply, we used male pronouns to refer to those persons who were created biologically male, and female pronouns to refer to those who were created biologically female. Finally, we believe that God created marriage to be exclusively the union of one man and one woman, and that intimate sexual activity is to occur exclusively within that union.
